

Mission Statement

The mission of Peace River Citrus Products, Inc. is to produce the highest quality citrus and beverage products, market them at competitive prices, provide superior customer service and maximize returns for the Florida growers.

Quality and Food Safety Policy

Peace River Citrus Products, Inc. is dedicated to producing safe, high quality products. Our goals include always providing products that meet our customer and regulatory requirements, consistently offering superior customer service, continuing to improve our processes and being constantly aware of product safety.

Corporate Food Safety Objectives

- We will continue to maintain certification to standards in food safety and feed safety:
 - FSSC 22000
 - GMP+ Feed Safety Assurance
- Demonstrating compliance with applicable statutory and regulatory food safety requirements.
 - No critical citations during regulatory inspections.
 - Compliance with any new requirements issued through the Food Safety Modernization Act.
- Meeting our customers' requirements related to food safety and quality, in order to enhance customer satisfaction.
 - Zero Product Recalls or Withdrawals impacting customers.
- Maintaining associate, contractor and visitor food safety awareness and understanding.
 - 100% compliance to Food Safety Awareness training for associates.
 - 100% of contractors and visitors acknowledge and agree to our food safety policy.
- Providing a clean and well-organized environment for all associates.
- No major non-conformances in external audits.
- Apply current GMPs with regards to hygiene and manufacturing (*Follow GMP 21 CFR117*).
